About This Site?

This is the Author's Site, but! It does not meet any of the requirements for a financial successful Author's Site to fulfill my ambitions as I aspired not long ago. The truth?

Great number of super successful Best Sellers of books share with aspiring authors their secrets for financial success.

Been enthralled—captivated by their sharing for a while when those Best Sellers appeared in my inbox, and!

Stars Shone In My Eyes?

I had stars in my eyes of becoming a millionaire as those amazing human beings, then?

- Radical change within my being.

Since 2017? The Father/Creator began to turn my eyes away from all the glitter of success, success, success, and? From all stored in my head! Instead?

The Father/Creator Became My Hero And My Teacher?.

He became My Father. My Master directing my doings in all areas of my life to my amazement. So? Even if this site is not geared for financial success or to fulfill my lofty ambitions to obtain fame and riches by the power of my mind just like the multitude are now engaged in?

- This site is geared for far greater aim than mere financial success on this earthly terrain.

What Is That Aim?

It's the Father/Creator of our beings aim to restore us to His original intent for our creation:

- To Love.
- To Be Loved.
- Your Cherish Family O Mighty One? Forever To be!

How Is This Impossible Matter To Happen?

Behold! The Power Of Love & Wisdom From On High Drenched Upon Us All. It Never Fails.

It Always Avails!

- It will avail all destined as members of His family to submit to His loving care and protection.
- It will set us free from our own carnal nature.
- I will avail us to abandon the lower life.
- It will avail us to reach for the higher life.

What Makes Me So Sure?

Not 'what' but WHO. Not 'me' but HIM. Not 'my faith' but HIS FAITHFULNESS TO PRESERVE HIS NAME AND AUTHORITY for own good.

As it happened to me so shall happen with all that will humble themselves and submit to His loving authority, and?

That's what testimonies like the one you are reading come into place. To be His witness when His Spirit comes upon us is the command.

That's what it means to go and teach, immerse the world in what the Messiah taught His first twelve disciples. He did not commissioned to go and teach the Bible, but!

To teach what He taught them. What was that? It's all written in the Sermon of the Mount for beginners.

O well! Now I am rambling and rehashing things already clearly proclaimed nowadays. Perhaps that is a reaction of what I read from respectable 'Teachers of the Bible'.

I don't know, but! In pointing out the errors of others? We condemn our own selves because we are doing the same thing—talk, talk, talk, but!

Not walk. Am I still sitting on the pews or standing behind the pulpit proclaiming my knowledge of the Bible or my inspirations from the Bible?

Well, I am not, but why? Conviction. Repentance. Restoration. The treason that must take place on His time for each one of us. Not to elaborate. Only sharing my own experience of that treason.

Under His conviction I repented, but! Restoration does not mean for me to go back and do the same thing I was convicted about—self-righteousness.

The sin that I clearly see in all those great teachings I been reading, but! That's something that only You, my Father can deal with each one of Your children including myself.

Thus? From now on? 'Your sister, not thiaBasilia anymore.' Why? I saw my sinful self-righteousness in the graphics to illustrate whatever I am to write.

Quickly it came to me to recognize my sin—conviction. To demonstrate repentance:

So? Daily and in whatever comes to my mind and heart to do? I come to my Master. I refuse to go by what was programmed in my mind from birth until death do us part.

My task? "Write. Publish. Optimize whatever I quicken you to do so. Sit still. I will do the rest." says my Master as He empowers me to obey.

The Results Of That Power To Obey?

That's what the sites/books published by yours truly are all about. Results from the work by the Spirit of the Father/Creator within my heart. Much love from your sister.
