The Almighty Creator of our beings is the One Who sits above the circle of the earth, and I? Only ticking, leaping amidst, like the grasshopper that I am. Quote:

The loud noise made me jump out of bed like fast! Ah! The big chunk of ice had broken off the top of the freezer. It spread in pieces on the floor. Not much water. Wonderful!

## **The Idea On How To Defrost The Freezer Worked!**

Your ways, O my Master? Way over my head! It's been several months since You have given me the ideas on how to help myself—how to quit looking and expecting for others to do what I can do.

## **Amazing! A Liberating Experience ...**

I done wonders following Your ideas because, not only You give me the idea but also empower me to put it to use. Even so? I find myself in vain begging for help at times when pain assails me.

## **Anyhow, why the noise? To wake me up to the fact to be exact ...**

Need to sleep again. It's now Wednesday, June 26, 2019 at 4:55 pm. It was a hot day. I couldn't sleep. I laid there looking at my desk setup. Another idea came to mind. Got up to execute.

## **Phew! What An Idea. What Power To Execute ...**

Been thinking about getting some shells to place behind the monitor—a way to solve the wasted space problem. What to do? For it is hard to get anything in this area. Suddenly!

## **Idea—Place Your Mini Desk Behind The Monitor ...**

Ah! Good idea but I'll have to wait for Ahmad to do that. Why wait? I can do it myself. Wow! It took better than 3 hours, but I did it! Unbelievable!

## **Despite My Lame Arm. Despite The Sweat. Despite The Heat Of The Afternoon ...**

Despite all fears? The refrigerator is now frost free. The desk is now set behind the monitor. Much improvement in the apartment setup. The best part?

## **The Lessons To Endure—To Overcome All Fears You Are Searing Within Me ...**

WOW! What a revelation! What a way to reveal Yourself to me. All part of my renewed life. No need to set myself to accomplish anything. No need to try. Simply do, period!

Thursday, June 27, 2019 at 4:02 pm.

O my Master! I got problem. What on earth have I been doing since Jun 27, 2019, at 3:13 am? Been frantically searching for the solution to that problem! Why?

## **O I Could Cry! I Won't Deny, But! ...**

After I wrote about no more lamenting? I went to look for the meaning of implementing, and? I got sidetracked big time. Instead of looking for the word? I noticed an important email. I clicked!

## **Wow! Been Waiting For That Email!**

It's in reference to the ATM problem solution. I knew You were working on that problem. You led me to initiate email connection with my friend handling my account. I replied quickly.

Quote:

*thank you! thank you! thank you. I am not calling anyone anymore because i talk too much. keeping to myself and learning. love, thia.*

## **Such Is The Fact—Learning ...**

From there? I began to reflect on all the lessons You have seared in my soul—reflecting on the headline did not realize to go back to record my reflections until now, on Thursday, June 27, 2019 now at 5:21 pm.

### **Indeed! No More Lamenting. Now? Implementing ...**

Implementing? That's what I been doing for the last 12 hours, but! I need to wait. I am learning how to implement things.

### **Implementing Or To Put Into Practical Effect; Carry Out What Is All About ...**

Like implement the new procedures. In this case I am implementing—putting into practical effect the power of Your love and wisdom in all my doings, including my digital doings.

### **Not a theory. Experience ...**

I got a problem. Work on the solution. How? Intelligently not emotionally. In the last 12 hours I have learn much about the matter.

### **Now Is Time To Wait Before I Record Facts, Not Emotional Suppositions.**

Thursday, June 27, 2019 at 6:00 pm.

Yes, I'll wait on You to resolve the problem. In the meantime? I don't know just now what to do. Twilight is about to set in. I am not hungry or thirsty; not uncomfortable for the day is not too bad. I'll wait.

### **My Renewed Life Is A Mystery In Discovering ...**

Friday, June 28, 2019 at 3:02 am.

Master? Silence. Am I dreaming? I feel so strange. Perhaps I need more sleep? Back to bed. Woke up at 6:00 am.

- Vision leaky roof.
- Shock to my body.
- Saw several roaches coming out from under the table.

### **Visions? Dreams? Discovering ...**

Wow! Every minute detail of my life is in the process of renewal. What a discover! My health, my wealth? The restoration of my health and my wealth is taking place, but!

### **The Way Things Are Taking Place? Out Of The Human's Imagination ...**

No kidding! Regardless the human's high concept of him/herself, in the eyes of the Almighty Creator of it all? We humans are like Grasshoppers! Funny? Yes it is. Quote:

*[You worshipers of idols, you are without excuse.] Do you not know? Have you not heard? Has it not been told you from the beginning?*

*[These things ought to convince you of the Almighty's omnipotence and of the folly of bowing to idols.]*

*Have you not understood from the foundations of the earth? [Rom 1:20-21]*

*It is the Almighty Who sits above the circle (the horizon) of the earth, and its inhabitants are like grasshoppers;*

*it is He Who stretches out the heavens like [gauze] curtains and spreads them out like a tent to dwell in,*

*Who brings dignitaries to nothing,*

*Who makes the judges and rulers of the earth as chaos (emptiness, falsity, and futility).*

*Yes, these men are scarcely planted, scarcely are they sown, scarcely does their stock take root in the earth, when [the Master] blows upon them and they wither, and the whirlwind or tempest takes them away like stubble.*

*To whom then will you liken Me, that I should be equal to him? says the Holy One.*

*Lift up your eyes on high and see!*

*Who has created these?*

*He Who brings out their host by number and calls them all by name; through the greatness of His might and because He is strong in power, not one is missing or lacks anything.*

*Why, O Jacob, do you say, and declare, O Israel, My way and my lot are hidden from the Master, and my right is passed over without regard from my Almighty?*

*Have you not known? Have you not heard? The everlasting Almighty, the Master, the Creator of the ends of the earth, does not faint or grow weary; there is no searching of His understanding.*

*He gives power to the faint and weary, and to him who has no might He increases strength [causing it to multiply and making it to abound]. [2Co 12:9]*

*Even youths shall faint and be weary, and [selected] young men shall feebly stumble and fall exhausted;*

*But those who wait for the Master [who expect, look for, and hope in Him] shall change and renew their strength and power; they shall lift their wings and mount up [close to the Almighty] as eagles [mount up to the sun]; they shall run and not be weary, they shall walk and not faint or become tired. [Heb 12:1-3] Isaiah 40:21-31.  
End of quote.*

*of quote.*

Funny? Fun? Uplifting To Me? Yes Indeed!

Must I thumb my nose at all those young whip snappers? I'll think about it while I take care of my chores. Hahaha! HalleluYah!

**Nay! No Need To Thumb My Nose At Anyone. No Need For Smugness. Why? ...**

Friday, June 28, 2019 at 9:40 am.

Because it's all my Master's doings not mine! That's why! My Master is the One Who gave me the power—the ability to wait for Him to change me, and?

**My Master Changed, Renewed The Strength—The Power He Gave To Me ...**

He did it all on His decreed time. None of my shenanigans to change myself as well as changing others ever worked, until?

**His Time, His Season Came Into Place In My Life ...**

No need to expand, to explain the unexplainable at all. It's now time only to implement His doings in my life by the power of His love and wisdom.

**Now All Needed? To Implement My Master's Doings In My Life ...**

Friday, June 28, 2019 at 12:24 pm.

After much tribulation under the hand of my Master's discipline? Now I have the power to implement such doings. What does that mean?

**I No Longer Panic When Things Go Wrong. Instead? ...**

Pause. Reflect in my Master's Presence in my life. He leads my way. His love and wisdom prevail now more than ever before.

Dear Friend:

Here goes the scoop on where do we stand in reference to your site.

1. I purchased a theme I been using for a while because like the rest of themes is needed to purchase the theme to customize it to do whatever one wishes it to do.
2. I have tried a multitude of themes and they are all the same structure with the same limitations. This theme is the closest that will do for all I want to do including to work on your site from my site.
3. That maneuver cost me \$45 reasonable for what it does, but! They don't tell up front about their no refund. Nor about needing to purchase the plugs to make it really work.
4. OK live and learn. \$45 gone from my birthday gift. I went ahead and purchased the plug that works in any theme. That's the \$39 charge for today.
5. What is in my mind with all of this? Believe it or not, to promote your site have always been in my mind since I built it for you. But I have been ashamed because I have not been able to figure out how to do it.
6. It has taken this long, but! I only got ready by an act of 'God' as they say. After all the years of fumbling the ball? I am now catching it. Ready to work in your site. I know what and how to do it now.
7. I hope I am not too late. I hope you have not giving up on me. I hope you send me the new products with the price to work on the project. I wait in hope.

Always, much love, thia.

### **Working on site ...**

Friday, June 28, 2019 at 5:53 pm.

It's all in vain my Master. The Internet is not working. I cannot work without Internet. You know what's the problem. You know how to fix it. No use to repeat the same procedures. I wait on You.

### **What To Drink? What To Do? What To Think? It's All Up To You, My Master**

Saturday, June 29, 2019 at 2:52 am.

I refuse to lament. Despite my determination to implement Your doings, I cannot do anything without You. My times are in Your hands.

### **It's The Last 7<sup>th</sup> Day Of Rest For This Month ...**

How am I doing on keeping Your rest-- Yahuwah's rest. Have I ceased from *the weariness and pain* of human labors? Yes!

### **What Labors Have I Ceased From? ...**

### **Peace. Power To Love From On High. Wisdom Out Of This World Literally ...**

Saturday, June 29, 2019 at 9:53 am.

For the wisdom that I am experiencing is not human wisdom; much less human knowledge. My former human wisdom and knowledge brought me nothing but sorrow and tears. Quote:

*For in much [human] wisdom is much vexation, and he who increases knowledge increases sorrow. Ecclesiastes 1:18. End of quote.*

### **Even So? Who Decreed My Former Miserable Earthly Life? The Creator, For Sure! ...**

Saturday, June 29, 2019 at 11:35 am.

Amazingly! The Creator is:

- The Beginning and the End—
- The Author and the Finisher—
- The Ever Existent One—
- The Sole Creator Sovereign of everything in existence—
- And the Essence of love and wisdom. Quote:

*What profit remains for the worker from his toil? I have seen the painful labor and exertion and miserable business which our Creator has given to the sons of men with which to exercise and busy themselves.*

*He has made everything beautiful in its time. He also has planted eternity in men's hearts and minds a divinely implanted sense of a purpose working through the ages which nothing under the sun but our Creator alone can satisfy, yet so that men cannot find out what our Creator has done from the beginning to the end.*

*I know that there is nothing better for them than to be glad and to get and do good as long as they live; And also that every man should eat and drink and enjoy the good of all his labor—it is the gift of our Creator.*

*I know that whatever our Creator does, it endures forever; nothing can be added to it nor anything taken from it.*

*And our Creator does it so that men will reverently fear Him revere and worship Him, knowing that He is.*

*That which is now already has been, and that which is to be already has been; and our Creator seeks that which has passed by so that history repeats itself. End of quote.*

**All Said. I Am Done. All Power Of Love And Wisdom The Master Has Seared In My Mind. ...**

Much love to all, thiaBasilia.

BTW The problem with the computer and the Internet? No problem anymore. Haven't got the slightest or? Do I not know? That whatever our Creator does, it endures forever! So? AWAYYY! With all my fears and unworthy suspicions about His faithfulness! Amen!
